Agenda

- 11.00 - 11.20 a.m Arrival of Guests and Invitees
- 11.20 - 11.30 a.m Lighting of the oil lamp
- 11.30 - 11.35 a.m Welcome Address
- 11.35 - 11.50 a.m Presentation
- 11.50 - 12.00 a.m Address by Head of the Department
- 12.00 - 12.05 p.m Song
- 12.05 - 12.10 p.m Address by Course Coordinator
- 12.10 - 12.15 p.m Dance
- 12.15 - 12.20 p.m Speech by President
- 12.20 - 12.25 p.m Presentation of Awards (1st Session)
- 12.25 - 12.45 p.m Prize Giving (1st Session)
- 12.45 - 12.50 p.m Song
- 12.50 - 12.55 p.m Presentation of Awards (2nd Session)
- 12.55 - 1.10 p.m Prize Giving (2nd Session)
- 1.10 - 1.25 p.m Song
- 1.25 - 1.30 p.m Lecturers Speech
- 1.30 - 1.45 p.m Group Photograph
- 1.45 - 1.50 p.m Thank you Address

Message from Head of the Department

It gives me great pleasure to write a few words to the first souvenir of the Industrial Analytical Chemistry batch get together organized by the M.Sc. students of 2015/16 batch. Every year we have the opportunity in educating and nurturing new batches of students to this highly demand post graduate program offered by the Department of Chemistry at University of Sri Jayewardenepura.

I would also like to take this opportunity to congratulate the students who have work hard to make this event a success. I further believe that along this journey the students have accumulated many skills that will benefit them in the future along with the wide range of knowledge in Analytical Chemistry.

Prof. Pradeep. P.M. Jayaweera

Message from Course Coordinator

It is my absolute pleasure to give my warmest congratulations to you on your achievement as post graduate student members of the Industrial Analytical Chemistry M.Sc. batch of 2015/16. Your initiative to explore new frontiers has led you to one of the most dynamic post graduate academic programs in the country.

For many of you, today may have seemed like a distant dream when you first began your journey. But through your own resolve and commitment and with the support of your family, teachers and friends, you have persevered to make your journey at this University, a life changing reality. After completion of the degree program you are ready to proceed further in life. I will look forward to your successes and to you being role models to the students who will soon be in the position you are today.

Dr. Champa D. Jayaweera

Message from the President of AIAC

I would like to take this opportunity to thank all my lecturers, academic and non-academic for all the support and guidance during the Analytical MSc course. I was formerly a student from Royal College Colombo 07 and Graduated from University of Sri Jayewardenepura.

An event of this nature would not have been possible without the collaborative effort of many who worked tirelessly behind the curtain. I thank them all for their hard work and special thank you goes to Prof. P.P.M. Jayaweera, Dr. (Mrs.) Champa D. Jayaweera, all the lectures & members of the association who made it their personal sacrifice.

As the president of this association I can safely say that all our students have a bright future ahead as they have been given the correct guidance by our outstanding lectures.

Mr. M.J. Dheerasinghe

Message from the Secretary AIAC

It is a pleasure to write this message for the souvenir. I was formerly a student from Musaeus College and Graduated from Institute of Chemistry and I joined the MSc program to gain a vast knowledge in Analytical Chemistry in various Industrial disciplines. I am glad to say that my expectations were met in outstanding fashion. Life as a Post graduate student at University of Sri Jayawardenepura helped me to vastly improve my knowledge in Analytical Chemistry as well as my leadership skills as I was also the Girls' Batch Coordinator which I found to be both a challenging task and a very valuable experience. I would like to thank all the lecturers who taught us including the Head of the Department Prof. P.P.M. Jayaweera and a special thank you goes to Dr. (Mrs.) Champa D. Jayaweera (Coordinator in MSc in Industrial Analytical Chemistry) for her immense guidance, valuable advice, support and understanding throughout the program. I would further like to mention that the demonstrators were really supportive and helped us in all possible ways. I am forever grateful for their support and guidance and thereby I can safely say that I am fortunate to be involved in this fascinating journey as a Master's degree student in Industrial Analytical Chemistry and I would like to wish all my batch mates a very bright future ahead.

Saduni. S. Arachchi

Message from the Organizers of AIAC

D.M.A. Dissanayaka M.U.S.Kulathunga K.H.D.Maduranga

We are proud to be the Post graduates of M.Sc. Degree/P.G. Diploma in Industrial Analytical Chemistry 2015/2016 offered by the Department of Chemistry, University of Sri Jayewardenepura, since it is one of the leading Analytical Chemistry programs in Sri Lanka.

This M.Sc. Degree/ P.G. Diploma in Industrial Analytical Chemistry program has paved us new paths in pharmaceutical, bio analytical, forensic, food, polymer science and environmental fields in related to Analytical Chemistry aspects.

Moreover we would like to thank all, who has supported us to successfully organize this Analytical get together. Furthermore we convey our heartiest wishes for our colleagues of M.Sc. Degree/P.G. Diploma in Industrial Analytical Chemistry 2015/2016 batch.

Overview

This course is designed to build qualified analytical chemists as there is an increasing demand for qualified analytical chemists throughout the world. The M.Sc./Post Graduate Diploma program in Industrial Analytical Chemistry includes different industrial disciplines including chemical, pharmaceutical, bio – analytical, forensic, food and environmental monitoring applications.

The best analytical chemistry concepts were taught by a set of qualified lecturers from the university, specialized external staff from other universities as well as from government and industrial sectors.

The high-end analytical tools in the department gave us a broad experience in achieving the correct level of accuracy in each measurement, which is the key for developing a qualified analytical chemist.

An Academic Skills Development Workshop will also be carried out during the first three months of the second year to gain research report writing skills and a knowledge on statistics important for research.

The second year research component and the case studies are specially designed to solve analytical chemistry problems in the industrial set up. In addition to developing industrial experts, this course will provide the required level of knowledge for undergraduates to continue their graduate studies in a recognized university.

Our Lecturers

Prof. Sudantha Liyanage

B.Sc. (USJP), Ph.D. (Cardiff Wales),
M.I.Chem.C., MRSC, FPRI.SL
Physical Chemistry

Prof. Pradeep P.M. Jayaweera

B.Sc. (SJP, Sri Lanka), Ph.D. (Belfast),
M.I.Chem.C
Physical Chemistry

Prof. S P Deraniyagala

B.Sc.(Colombo), Ph.D.(Dalhousie),
F.I.Chem.C.
Inorganic Chemistry

Dr. Champa D. Jayaweera

B.Sc. (USJP), Ph.D.(Belfast),
M.I.Chem.C.
Analytical Chemistry

Prof. Nilanthi Bandara

B. Sc. (Hons), M. Sc. (Hons),
M. E. Des. (Canada)

Prof. A M Abeysekera

B.S.c (Colombo), Ph.D (Belfast)

F.I.Chem.C, FNASSL Organic Chemistry

Dr. N.G.S Shantha

B.Sc.(USJP), M.Sc.,

Ph.D.(Tohoku)

Dr.S.D.M Chinthaka

B.Sc. (USJP), Ph.D.

(Wayne State University, USA)

Dr. Chayanika Padumadasa

B.Sc. (Colombo),

Ph.D. (University of Oxford, UK)

Organic Chemistry

Dr. M. A. Jagath Wansapala

B.Sc. (Hons) (USJP), M.Sc. (USJP),

Ph.D. (USJP)

Dr. P. K. D. M. C. Karunaratne

B.Sc. (USJP),
Ph.D. (Wayne State University, USA) Material Science &
Nano Chemistry

Dr. K. M. Thilini. D. Gunasekera

B.Sc. (Colombo), Ph.D. (Bowling Green Ohio, USA)

Dr. Pahan Godakumbura

B.Sc. (USJP), Ph.D. (Wayne State University, USA)
Biochemistry and Organic Chemistry

Dr. Ranga S. Jayakody

B.Sc. (Hon. Carlton University, Canada),
M.Sc. (UCT) Ph.D.(UCT)
Physical Chemistry

Dr Dilru R. Rathnaweera

B.Sc.(Kelaniya), Ph.D. (Clemson, USA)
Physical Chemistry and Polymer Science &
Technology

Dr. N M S Sirimuthu

B.Sc. (USJP), Ph.D. (Queen's University, UK Physical Chemistry)

Dr. Isurika R. Fernando

B.Sc.(USJP), Ph.D.

(Western Michigan University, USA)

Dr. Suneth Rajapaksha

Message from the Editors of AIAC

M.Samanudeen Risfa

Sonali Batuwatta

As a Post graduate student of M.Sc. Degree/P.G. Diploma in Industrial Analytical Chemistry 2015/2016 offered by the Department of Chemistry, University of Sri Jayewardenepura, I am extremely honored since I was given the opportunity to serve as the editor of the Association of Industrial Analytical Chemistry (AIAC).

Moreover I would like to thank all the lecturers and colleagues who helped us to make this event a success and I convey my heartiest wishes for our colleagues of M.Sc. Degree/P.G. Diploma in Industrial Analytical Chemistry 2015/2016 batch.

Acknowledgment

A special thank you goes to;

The Dean of the Chemistry Department, Post Graduate
Head, Chemistry Department Head and the M.Sc.
Coordinator

All the lecturers for immeasurable commitment
throughout towards the university and students

All the demonstrators for support and guidance

Non – academic staff for the tremendous support

The members of the Third batch (2015/2016) batch and
their families to make this event a success

The above mentioned members have helped make this
amazing event a success and thereby have earned our
deep heartfelt gratitude.
